

LETTER FROM AN ASPIRING EDUCATOR --AIDE K. SOTO

Dear Alpha State Texas Educational Foundation,

I, Aide K Soto, am very grateful for receiving the Aspiring Educator Grant for this academic year. This grant is very valuable to me, and I will use it to pay for this upcoming fall semester. I am committed to give the best of me to perform well in my last semester at Texas A&M. This upcoming December I will graduate. Also, I want to take the time to thank the ASTEF Board of Directors for their consideration and support by reviewing my application. This grant will help me achieve my Bachelor and earn my Texas teacher certification.

I am fully committed to become a dedicated teacher and serve my community, students, and parents. My compromise is to guide all the students in a fruitful learning journey. Further, it is my goal that in the not distant future; I can achieve two master degrees in English Language Arts and Spanish. Lastly, I pledge my gratitude to ASTEF because it promotes professional and personal growth to women educators in Texas.

Thank you again for support.

Sincerely,

Aide K Soto
