

ASPIRING EDUCATORS

The following Aspiring Educators will receive \$1,500.00 for tuition reimbursement—

Award Winner	Chapter	Goal
Paislee Grace Cogburn	Lambda Pi	I will earn my Bachelors of Science in Dance Science with the goal of becoming a dance teacher and drill team director.
Raeli Anne Barrera	Beta	My goal is to earn a Bachelor of Science in EC-6 Education, with a Minor in Spanish and become a Dual-Language teacher.
Ariana Laree Escobar	Alpha Sigma	I am pursuing my Master's degree in Family and Consumer Sciences. My end goal is to earn a PhD that will position me for a role in state or national government with a specific focus on education policy.
Claire Madeline Gauthier	Delta Theta	I plan to graduate May,2028 with a bachelor's degree and begin my career in early elementary grades. While teaching, I plan to pursue a master's degree in Educational Administration.
Graciela M. Lopez Diaz	Kappa Theta	I will continue my upper division courses. I will embark in my senior year in Fall 2026. In Fall 2027 I will become "teacher of record" while working with Dallas College to obtain all certifications.
Anacecilia Leal	Epsilon Upsilon	My educational goal is to complete a Master of Arts in Teaching with a concentration in Bilingual Education. My goal is to teach middle or high school science,

Addison Rose Schoel	Kappa Lambda	After graduating from Texas A&M, I plan to teach in a Title I district and will follow that path wherever it leads me. I hope to receive a job through Temple ISD, working as a second-grade teacher.
Ansley Rae Iverson	Alpha Sigma	My goal is to enter the classroom fully prepared, not only academically but professionally. During my time at Texas Tech, I have sought opportunities that extend beyond coursework.
Ella Rose Luczkowski	Mu Pi	I plan to achieve my goals by attending Lamar University, where I am majoring in American Sign Language with a teaching certification. Through my classes, I continue to build my ASL skills while learning effective teaching strategies.
Anna Jae Wood	Theta Phi	After graduation, I plan to research jobs in my surrounding elementary schools and apply for the positions that I believe will help me on my journey of educating and making a difference in the lives of students.
