2022-2023 Project Stipend Report

Mid-Year Report – Due January 31, 2023

Recipients of ASTEF Project funds are required to complete and submit a **Mid-Year** and an **End-of-Year** report and an accounting of how grant funds were used. ASTEF is required under IRS regulations to ensure that funds are used only for the project as approved. ASTEF has the authority to recover funds in the event that funds are, or appear to be, misused. **NOTE: If you have already completed the project, you have the option of completing both the Mid-Year and the End-of-Year Report and submitting both at the same time. In any case, both reports must be completed and submitted no later than the respective due date.**
